To bring/wear: As the event approaches, be sure to check the weather forecast in Horse Cave, KY, Petersburg, KY, and Williamstown, KY. Dress accordingly. Some of the things you'll explore will likely be outside. Sunglasses, a hat, and sunscreen (or skin-covering clothes) would be advisable. We will be on our feet a lot at the Creation Museum/Ark Encounter, so good shoes would be advisable. For the cave tour, closed-toed shoes/tennis shoes/hiking shoes would be advisable. We will descend over 200 steps into the cave (and will come out the way we went in).
