- What if your high schoolers could **LEARN** about the biblical Flood and the **true foundations of science** from an AP Ph.D. Creation field scientist?
- What if they could **SEE** with their own eyes **famous geological sites** and **LEARN how they support the Bible's account of the Flood?** The GRAND CANYON, PETRIFIED FOREST/PAINTED DESERT, METEOR CRATER, SP CRATER VOLCANO, GRAND CANYON CAVERNS, and other locations
- And what if students could get **HIGH SCHOOL SCIENCE CREDIT** while doing so?

QUOTES FROM PREVIOUS STUDENTS:

"This has truly been one of the most fun weeks of my entire life. I feel so much more prepared and fired up to teach the truth."

"I actually enjoyed science (which I didn't know was possible for me). I didn't know that this could be science and it could be fun and interesting."

"Before I started this class I was a little doubtful about some things but through studying the *Flooded* book and attending classes and seeing all these things I've never felt more sure and confident in my faith."
