DESCRIPTION:

Join AP's Creation scientist, Dr. Jeff Miller, as he leads Creation enthusiasts through Petrified Forest, Meteor Crater, Lowell Observatory, Sunset Crater (volcano), Walnut Canyon National Monument, Grand Canyon Caverns, Lava River Cave, and Grand Canyon, examining scientific and scriptural clues that shed light on the pre-Flood world, the Flood, and the post-Flood Ice Age and Babel dispersion period.

SPACE LIMITED!

Meteor Crater

Walnut Canyon

Petrified Forest
